## Rock-a-Bai Baby?

By Lisa Lee, Aug 11, 2006

### NAME GAME NOT just FOR kids

Celebrity couple mash-up names are all the rage — what, with **Brangelina** and **TomKat** still in full force. We find the aptly named Minnillo BlahNick: **Vanessa Minnillo** and **Nick Lachey**. What's next? Jetski — **Jet Li** and **Nataassja Kinski**? Or how about Cha-Cha — **Jackie Chan** and **Charlize Theron**? If **The Rock**, aka Dwayne Johnson, started doing the Jacuzzi jiggle with Bai Ling, would they be known as Rock-a-Bai Baby? Send in your own list of celebrity couple mash-up names.

### BAI GETS BUZZED AT PARTIES

Most people can't name any films that **Bai Ling** has starred in — except for *Red Corner* with **Richard Gere**. “[Her] only demonstrable skill set thus far seems to be getting photographed in all the right places,” said Denise Dorman of WriteBrain Media. “But she's creating a wonderful buzz.” And getting buzzed is what she does best: Bai was last spotted showing partygoers how to really get down with margaritas by graphically licking the neck of a Margarita King bottle.
